

# Unit 2

## Listening script

**Int.** Tell me, Tony – when is Mother’s Day in the UK?

**Tony** Well, I know that in the USA Mother’s Day is in May. But here in the UK, we celebrate Mother’s Day in March or April. It’s always on a Sunday.

**Int.** How do you celebrate Mother’s Day in your family, Tony?

**Tony** We give Mum a lot of presents. I usually buy chocolate. She loves chocolate! My little sister Angela is only four years old. She doesn’t buy a present, of course. She draws a nice picture for Mum.

**Int.** And what does your mum do on Mother’s Day?

**Tony** She relaxes all day! At lunchtime, my dad and I cook a special meal for her. In the evening, she goes out with Dad to the cinema or the theatre.

**Int.** What about the housework?

**Tony** Well, I help with the housework every day. But on Mother’s Day Dad and I do all the housework. We cook, we clean, we wash the dishes ... I never go out on Mother’s Day, because I’m always busy!
