

End of year 2

Listening script

Oliver You're busy, Anna. What are you doing?

Anna Hi, Oliver. I'm revising. I've got a French exam next week.

Oliver French? You're really good at French. It's your best subject. The exam won't be difficult for you.

Anna But I want to do well. Look at this list of verbs. I need to learn all of them!

Oliver I had an exam last week.

Anna Really? What subject was it?

Oliver It was maths.

Anna Was it difficult?

Oliver Yes, it was. I'm terrible at maths. It's my worst subject. I didn't do very well in the exam. I want to improve. I'm going to concentrate more in maths lessons next year.

Anna That's a good idea. So what's your favourite subject?

Oliver Mmm ... I think art is my favourite subject. I love drawing and painting.

Anna Oh, that's right. You won an art competition six months ago!

Oliver Yes, I did. I painted a picture of a butterfly.

Anna I remember. I saw your picture in a magazine. It was brilliant!

Oliver Thanks, Anna!
