

# End of term 1

## Listening script

**Boy** You've got a big family, haven't you, Carla?

**Carla** Yes, it's quite big. There are seven of us – my mum and dad, me, two brothers and two sisters.

**Boy** So there are five children?

**Carla** That's right.

**Boy** Who's the oldest?

**Carla** My brother Max is the oldest.

**Boy** Is he a high school student like you?

**Carla** No. Max doesn't go to school. He's twenty-two! You know the swimming pool at the sports centre? Well, he works there. He's a swimming teacher. In fact, he's working right now.

**Boy** Really? But it's Sunday today!

**Carla** Yes, well he doesn't work on Mondays or Tuesdays, but he works on Saturdays and Sundays. Those are his busiest days. Lots of people want swimming lessons at the weekend.

**Boy** I suppose so. What about you? Are you a good swimmer too?

**Carla** No. I can't swim! I'm terrible at sports. I sometimes cycle in the park with my friends, but I never go to the sports centre!
