

Unit 1

Listening script

Peter You live in Sunley, right, Alison?

Alison Yes, that's right. I live in a flat near the town centre.

Peter Do you like Sunley?

Alison Yes. It's a small town, and the people are friendly.

Peter How far is Sunley from London?

Alison It's about thirty kilometres from London. There's a train station in Sunley, and getting to London takes fifteen minutes. I like London, but I prefer Sunley. It's quieter. It's cleaner, too. The streets in London are really dirty.

Peter Are there any places for young people in Sunley?

Alison Well, there are two cinemas. And there's a modern sports centre with a swimming pool.

Peter What about shops?

Alison Sunley's got a big shopping centre, and there are some nice shops in the high street. But the shops in London are better. And London is more exciting. But I still love my little town!
