

Unit 8

Listening script

Int. Simon, you've got a fantastic job, haven't you?

Simon Well, I enjoy it. I travel a lot and I meet a lot of people.

Int. So what is your job?

Simon I'm a tour guide. I travel to different cities with groups of people. I show them the city, take them to interesting places, and help them to enjoy their holidays.

Int. A tour guide? That sounds good. When's your next trip?

Simon I'm going to be in Italy next week with a group of ten people. We're going to visit Rome, and then we're going to take a train to Milan. We're going to stay in nice hotels.

Int. Do you know those cities well?

Simon Yes, I know them very well, and I can speak Italian.

Int. Cool. What will the weather be like?

Simon Well, it's July, so it'll be hot and sunny. I'm going to take my swimming trunks.

Int. Really? Are you going to spend some time at the beach?

Simon No, I'm not. But the hotel in Rome has a fantastic swimming pool. I'm going to relax there when I finish work in the evening.

Int. Wow! You'll have a great time!
