

Unit 4

Listening script

Int. Hi, Sally. It's eleven a.m. You're not in class right now. What are you doing?

Sally I'm having a break at the moment. We always have one at eleven. Lessons start again in fifteen minutes.

Int. What are you studying today?

Sally This morning we're studying Spanish.

Int. Do you like Spanish?

Sally Yes, I really enjoy it. It's one of my favourite subjects.

Int. Are you good at it?

Sally I can speak it well, and I can understand my teacher when he speaks Spanish. I sometimes read Spanish magazines, but I can't write it very well. I think the spelling is difficult, so I often make mistakes.

Int. When's your next Spanish exam?

Sally Next week. I'm revising a lot. I really want to improve my spelling before the exam.

Int. How can you do that?

Sally I've got a vocabulary notebook. Look! I write all the difficult words in here.

Int. Wow! You've written hundreds of words!

Sally I know. I want to remember all of them!
