

# Unit 2

## Listening script

[Teen boy and girl on phone]

**Tony** Hello?

**Jenny** Hello. Is that Philip?

**Tony** No, it's Tony.

**Jenny** Sorry. I think I've got the wrong number.

**Tony** No, don't hang up. You've got the right number. Philip is my brother.

**Jenny** Oh, great. Can I speak to him, please? I'm Jenny. I'm in the same tennis club as him.

**Tony** He's not at home right now, Jenny. He's at the cinema with some friends. He's watching a film. Do you want to call back later?

**Jenny** Well, it's quite urgent. It's about this evening's tennis practice. Has he got his mobile phone with him?

**Tony** Yes, definitely. He takes it everywhere. But he doesn't always answer.

**Jenny** That's OK. I'll send him a text message.

**Tony** That's a good idea. He always reads his texts. Shall I give you his mobile number?

**Jenny** Yes, please.

**Tony** It's 0770 808 1313.

**Jenny** Great. Thanks for your help, Tony. Bye!

**Tony** Bye, Jenny.
