

Unit 7

Listening script

[teen girl and boy]

Karen Hey, Simon. Emily told me that you're starting a band.

Simon Yes, it's true, Karen. We started a month ago. We practise in my bedroom every weekend.

Karen That's brilliant! Who's in the band?

Simon Well, I play the bass and my sister plays the keyboards. And you know Andy, who lives next door? He plays the drums. He's really talented!

Karen You're kidding! And what kind of music do you play?

Simon It's mostly hard rock. Music with lots of energy.

Karen When are you going to play in public?

Simon You mean a concert? Ooh, I'm not sure. We're not ready yet. We only know four songs!

Karen What about vocals?

Simon Ah, that's a problem. We haven't got a vocalist yet.

Karen I can sing. And I love hard rock!

Simon Really?

Karen Yes. I sing in the school choir. I sang on the radio once!

Simon That's great! Listen, we're practising next Sunday afternoon. Why don't you come to my house?

Karen OK. I'd love to sing in a band! Maybe we'll be famous!

Simon Oh, I don't think so. But we're definitely going to have fun. That's the important thing!
