

# Diagnostic test

## Listening script

**Amy** Hi Tom. It's good to see you.

**Tom** Hi Amy. How was your holiday in the US?

**Amy** Fantastic!

**Tom** Have you got some photos?

**Amy** Yes. They're on my mobile phone. Here, look.

**Tom** That's a good photo. Is it your family?

**Amy** Yes, it's at my uncle's home. It's near Los Angeles.

**Tom** And those two people in the photo – are they your parents?

**Amy** No, they're my grandparents.

**Tom** Oh, sorry! And is that tall boy your brother?

**Amy** No, I haven't got a brother. That's my American cousin, Jake. He's 18.

**Tom** So, is that you on the left?

**Amy** No, I'm not in the photo. That's my sister, Angie.

**Tom** Wow! She looks like you!

**Amy** That's because we're twins!

**Tom** Really? I've got a twin, too. His name's Charlie.

**Amy** Have you got a photo of him on your phone?

**Tom** Yes, look. Here's a photo of Charlie with my Mum and baby sister, Lucy. She's only two.

**Amy** Charlie doesn't look like you at all!

**Tom** I know. We're very different.
