

# Unit 6

## Listening script

[Female adult teacher, classroom noises in background]

**Teacher** Quiet, everybody ... I just want to say a few things about the school camping trip. Remember, we leave tomorrow morning. Don't be late! The bus leaves at ten o'clock, and if you aren't here by that time, the bus will leave without you. Remember, you should bring umbrellas and warm clothes with you. If you get cold and wet you won't enjoy the trip. Don't worry about food. The teachers will bring all the food we need. In the evening we'll light a fire and cook it. But you should bring a water bottle. And – this is very important – you must bring your mobile phones. Make sure the batteries are charged. If we stay together as a group, nobody will get lost. But *if* you get lost, stay where you are and phone me. Now, does anyone have any questions?
