

# Unit 1

## Listening script

- Jack** Hi, are you a new student?
- Sophie** Yes, my name's Sophie. I moved here from London with my family in April.
- Jack** Oh, right. I'm Jack.
- Sophie** Hi.
- Jack** Is that an art book you've got?
- Sophie** Yes. I love drawing and painting. I have drawing lessons on Tuesdays after school. Are you interested in art?
- Jack** Not really. I like sport, especially basketball and football. I play football in the school team.
- Sophie** Hmm, I'm not really into sport. But I like watching tennis on TV.
- Jack** What about music? I listen to a lot of music.
- Sophie** Me, too! I use my new mobile phone to listen to music.
- Jack** Hey, that's a cool phone!
- Sophie** Thanks – I love it. I spend a lot of time online.
- Jack** I do, too. But I use my computer at home. [pause] Here's Mr Brown.
- Sophie** Is he the science teacher?
- Jack** No, he's our maths teacher.
- Sophie** What's he like?
- Jack** He's OK, but he doesn't allow phones in his class. So be careful.
- Sophie** Right. Thanks.
