

# Unit 3

## Listening script

[British teen girl and boy talking in street]

**Lucy** Hey, Brian. You're back from holiday! It's good to see you again.

**Brian** Yes, we got back to the UK yesterday.

**Lucy** Did you have a good holiday?

**Brian** Yes, thanks, it was brilliant.

**Lucy** Where did you stay?

**Brian** We stayed at a hotel next to the beach. We were there for two weeks.

**Lucy** Were you with your parents?

**Brian** Yes, I was with my parents and my sister. My brother didn't come with us. He's at university, and he's studying for his exams, so he stayed at home.

**Lucy** Did you go swimming in the sea?

**Brian** Yes, I went swimming most days. And there was an amazing old town a few kilometres from the hotel. My sister and I cycled there a few times and explored it.

**Lucy** Did you take any photos?

**Brian** Yes, I did. Here, have a look.

**Lucy** Wow. What a beautiful place! And what about restaurants? Was the food good?

**Brian** Well, the café in the hotel wasn't brilliant. But there was a restaurant on the beach where they had a barbecue every night. We went there a few times. There was a band, too. It was fantastic!

**Lucy** That sounds great!
