

# End of Term 1

## Listening script

- Paul** Hey, Wendy. Are you sending a text?
- Wendy** No. I'm looking at some photos. I took them on Saturday. I was at the school sports day. Have a look.
- Paul** Mmm ... these are great. Was it a good day?
- Wendy** Yes, it was fun. There were lots of events. Look. This is a photo of Rachel. I took it while she was running in the 100-metre race.
- Paul** Oh, yes. What a brilliant photo! Did she win the race?
- Wendy** No, she didn't. She came second.
- Paul** Did you take part in any races?
- Wendy** You're kidding, Paul! I can't run fast. I was just watching and taking photos. What about you? Did you have a good weekend?
- Paul** No, it was a bit boring. I was alone all day. I wanted to see Martin. I called him on his mobile phone, but he didn't answer. I left a voicemail, but he didn't call back.
- Wendy** That's because he was at the sports day!
- Paul** Really?
- Wendy** Yes. Martin was playing in the tennis competition. Look – he's in this photo!
- Paul** Oh, yes!
