

# Diagnostic test

## Listening script

**Luke** Hi, Maria. What are you doing?

**Maria** Hi, Luke. I'm doing my homework. I need to finish it before I go shopping later with my friends.

**Luke** Oh, OK. I normally do my homework in the evening.

**Maria** I do, too, but I watched some videos last night online and I was too tired to do anything else.

**Luke** What's your homework about?

**Maria** Well, actually, it's about people's daily routines. Maybe I could ask you some questions about yours?

**Luke** OK, if you think that would help.

**Maria** Yes, it would be a great help. Could you let me know what time you normally get up in the morning?

**Luke** Um, well ... When I have to go to school, I get up at 7.30 and I have breakfast with my mum and dad. At the weekends, I normally don't get up until ten o'clock.

**Maria** OK, and what do you do in the evenings?

**Luke** Well, if I have homework, I always do that first.

**Maria** (laughs) Yes, I should do that, too. And then what do you do?

**Luke** I sometimes listen to music or watch TV.

**Maria** Do you ever help your parents with housework?

**Luke** I tidy my room. I hate doing that, but it has to be done, I suppose.

**Maria** And what time do you normally go to bed?

**Luke** During the week, I go to bed at about 10.30. At weekends, my parents let me stay up sometimes until midnight.

**Maria** OK. That's great.

**Luke** So did that help?

**Maria** Yes, I can finish this and then go shopping.

**Luke** (laughs) Cool – I'm happy I could help.
