

NEW BUILDING BLOCKS 1 – year 1

UNIT 5

I LIKE/I DON'T LIKE...

STEP 1

Teacher puts picture cards featuring different food items face down on the chair.

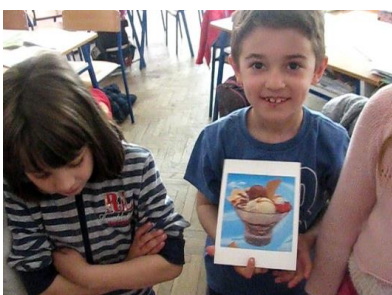

STEP 2

Students stand around the chair and teacher chooses who goes next.

STEP 3

Student chooses one card, says what it is and then tells whether he/she like it or not.

TIP: Have more cards than students. That way it will be more fun for the student who is choosing last!
