

NEW BUILDING BLOCKS 4

UNIT 4 & 5

ADVERBS OF FREQUENCY

STEP 1

Students are divided in groups.

STEP 2

Each group gets an envelope with 4-5 adverbs of frequency written on slips of paper – e.g. ALWAYS, EVERY YEAR, NEVER, SOMETIMES, TWICE A DAY, EVERY DAY, ONCE A WEEK etc.

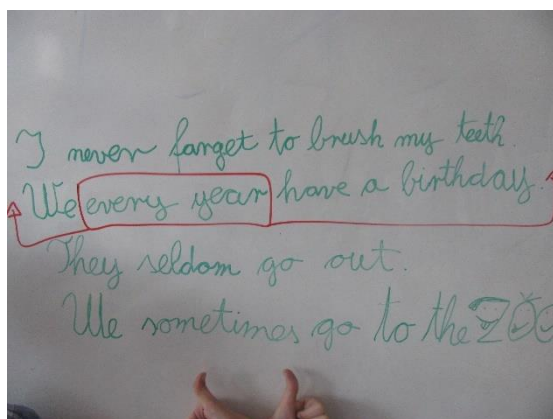

STEP 3

The task is to make any kind of sentence by using those adverbs. E.g. if you give 4 adverbs to your students they'll have to write 4 sentences.

STEP 4

When the students are done writing, they come to the whiteboard and copy the sentences they've come up with.

STEP 5

We read and discuss the sentences together and correct any potential errors.
