

Who is who? (a riddle)

Task 1

Read the text and underline comparatives and superlatives of adjectives.

Let me tell you about my best friends! They are all different. Peter is older than Jenny, but he is younger than Robert. Ann is nicer than Sarah and Sarah is a bit taller. Ann and Sarah are the youngest. They are twin sisters, but Ann is five minutes younger. Paul is taller than Robert, but he is shorter than Peter. The boys are taller and older than the girls. Jenny is nicer than the others. Paul is a year older than Robert. Sarah and Robert are the neatest. The best thing about them is that they are always there for me, no matter what.

Task 2

Read once again and answers these questions.

- a) Who is the oldest? _____
- b) Who is the youngest? _____
- c) Who is shorter, Robert or Peter? _____
- d) Who is neater, Paul or Sarah? _____
- e) Who is the tallest? _____
- f) Who is the nicest? _____

Who is who? (a riddle)
