# The water cycle

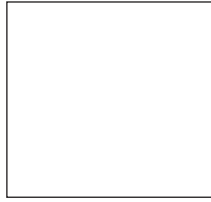

## 1 Draw.

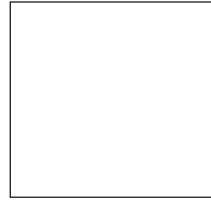

sun

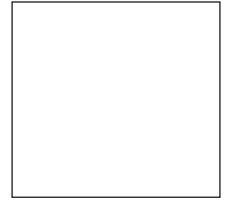

rain

cloud

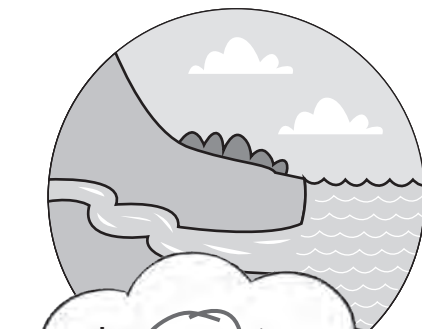

sky

drops of  
water

river

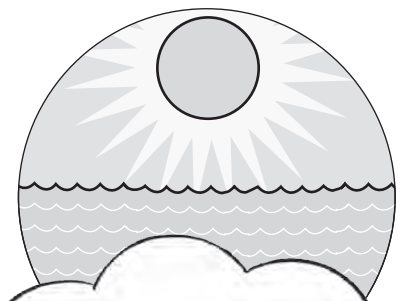

## 2 Read and circle. Draw arrows.

The river / sea  
goes into the  
river / sea.

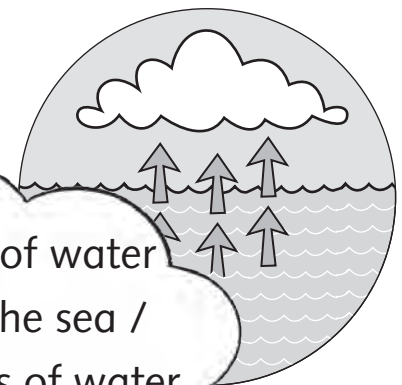

There's a cloud  
in the sky. It's  
sunny / raining.

It's sunny / raining.  
The cloud / sun  
makes the sea warm.

The rain goes into  
a river / the sky.

Small drops of water  
go up into the sea /  
sky. The drops of water  
make a cloud / river.
