

International Folklore Festival

1 Look and read. What is the lijerica?

In Zagreb there is a famous festival called the Zagreb International Folklore Festival. I go with my family.

This festival is in July. You can see lots of musicians and dancers. They come from all over Croatia and around the world.

The people wear bright and traditional clothes. I wear shorts and a T-shirt because it is hot. It's Summer!

I like listening to the lijerica and watching the people dance. They move so quickly!

Osijek Zoo

1 Look and read. How many animals live in the zoo?

We are at the Osijek Zoo. It is on the Drava river opposite the city of Osijek. It has the largest space for animals in Croatia. There are more than 650 animals in the zoo.

Here's a lion. It eats meat. It's got four legs and a tail. It can run very fast.

Here's a giraffe. It's got a very long neck. It's brown and yellow. It eats leaves from the trees. It's my favourite animal.
