## PRVI SAT

## UVOD

- Pozdravimo učenike s *Good morning, children. Nice to see you.* Demonstriramo pozdrav u paru s naprednijim učenicima tako da se pozdravimo i pljesnemo rukama u zraku.
- MIX AND MINGLE.** Potaknemo učenike da se na isti način pozdrave s učenikom pokraj sebe, zatim s učenikom iza sebe itd. Npr. *Hello Ivan. Nice to see you!*
- Možemo u razrednu rutinu pozdravljanja na početku sata uključiti lutkicu Ronnieja ili neku drugu plišanu životinju. Postupno potaknemo učenike koji to žele da daju glas lutkici.
- Objasnimo učenicima da ćemo otpjevati pjesmicu *The Hello Song*. Uputimo učenike da stanu u krug i pripreme se za pjevanje pjesmice: *Let's make a circle and sing a song!* Zajedno zapjevamo pjesmicu *The Hello Song*.

- Sat nastavimo pitanjem: *How are you today?* Učenici odgovaraju upotrebljavajući naučene pridjeve.
- Upitamo učenike, uz naglašenu mimiku, jesu li jutros bili u gužvi (*busy or relaxed*). Povedemo razgovor o jutarnjim rutinama.

## OBRADA

**MIRROR AND ECHO** (Za objašnjenje igre pogledati popis aktivnosti na kraju priručnika.)

- Postupno, kroz igru, ponovimo naredbe *turn around / jump / touch the ground* i iskoristimo igru da uvedemo nove naredbe: *sleep / get up / stretch / brush your teeth / put on your jacket / go to school*.

## NEW WORDS

## LOOK, LISTEN AND REPEAT.

- Pripremo slikovne kartice: *slippers, toothbrush, sandwich, jacket* i *schoolbag*. Uzimamo jednu po jednu slikovnu karticu, izgovaramo naziv slikovne kartice, učenici ponavljaju, a zatim lijepimo kartice na ploču.
- Pokazujemo na slikovne kartice u izmiješanom redosljedu, izgovaramo naziv i pozivamo učenike da ponove za nama u skupinama (npr. *boys, girls, first row* itd.).

**COME AND TOUCH** (Za objašnjenje igre pogledati popis aktivnosti na kraju priručnika.)

- Učenici dolaze do ploče i dodiruju određenu slikovnu karticu. Vera, *come and touch the slippers*.

- LET'S START!** Nove riječi možemo dodatno predstaviti uz digitalni preglednik s novim zvucima. Zajedno gledamo, postavljamo zvučni zapis, a učenici predviđaju i izgovaraju naziv slikovne kartice. Provjerimo zajedno.

## ZADATAK 1. LISTEN AND POINT. (str. 16.)

- Na ploču zalijepimo slikovnu karticu na kojoj je Kim i pitamo učenike sjećaju li se kako se zove ta djevojčica. Ukratko objasnimo da Kim ima psića koji se zove Gizmo i on joj svako jutro pomaže u spremanju stvari za školu.
- Pitamo učenike imaju li oni psića ili nekog drugog kućnog ljubimca i što sve zajedno rade, slušaju li ih njihovi psići kad im daju naredbe te pitamo učenike koje im naredbe zadaju.

- LET'S LEARN!** Podijelimo učenike u pet skupina i svakoj skupini dodijelimo jednu novu riječ. Pogledamo zajedno digitalnu slikovnicu na platformi IZZI, a skupine čuju ruke u zrak kad čuju svoju riječ.

Exercises 1, 2, 3

STARTING THE LESSON

- Discuss the title of the lesson with your students. Have them brainstorm possible vocabulary and language structures that they think they will talk about.
- Allow some time for students to leaf through the unit. Have them familiarise themselves with the unit and its outcomes.
- In groups, have students add any topic connected to the unit that they might be interested in. Ask them what they already know or what they would like to learn more about.

ANSWER KEY

Students' own answers.

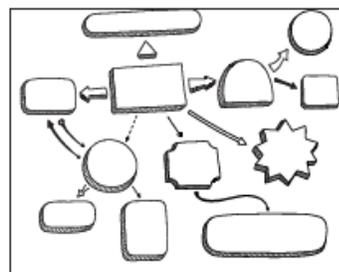

- If you prefer, have your students draw a unit entry mind map around the topics of the unit. Individually, they complete the mind map with what they know about the topics. Instruct students to keep the mind map in their notebooks and revisit them after each lesson. This way they can track their progress.

To make their progress more visible, instruct students to add new vocabulary or facts to the mind map in a different colour.

TRICKS OF THE TRADE

An entry mind map as described above can be used throughout the unit and serve as a means of formative assessment. Student can keep it on their own, as an ongoing homework assignment, or you can choose to allow them to work on it for a few minutes at the end of each lesson. Use the example entry map (Resource Bank, Resource 19, p. 00), prepare your own or allow your students to design their own.

It does not have to be in the form of a mind map. It could also be a Know-Want to Know-Learned or KWL (K- what I know, W- what I want to know/learn, L- what I learned) table or any other format. Have your students decide how they would like to keep track of their progress.

MAIN PART

MEET RYAN

VIDEO 3

Exercise 1, p. 44

- Ask your students to take a look at the photograph of Ryan and describe what he looks like.
- Explain the meaning of the word *skyline* (i.e. the shapes made by buildings or mountains when you look at them against the sky). Ask them to describe the skyline in the photo, but do not reveal the name of the city.
- If available, have students research which city Ryan is from. Discuss which words they could use to find out what Ryan's hometown is, e.g. *name of a city + skyline*. Students research American cities and compare photos on the Internet to the one in their books.
- Prepare a map of the USA. Instruct your students to watch the video and answer the question.
- Play **Video 3**. Have students show Chicago on the map. Ask them to find the name of the state on the map.

ANSWER KEY

Ryan is from Chicago. Chicago is in Illinois.

# KICK-OFF!

## WHO ARE YOU?

In this unit, you will learn how to talk about your family and friends. But what about you? Let's try and be creative! Write about you using the letters in your first name and your last name.

Follow these steps:

- Think about things that say something about you. These prompts can help you:
  - age
  - personality
  - looks
  - hobbies and interests

## LEARNING BY DOING!

### PROJECT 1: ALL ABOUT ME!

As with all beginnings, it's time to get to know each other even better. If you learn to introduce yourself in English, you open the door to the whole world!

Talk to your teacher and your friends. How would you like to introduce yourselves? Here are three interesting ideas. Or have you got a better one?

#### Become a fashion designer!

- Design a T-shirt that is all about you.
- Wear it in class, and talk to your teacher and classmate.
- What do you need for this?

FAVOURITE FILM	NAME		FAVOURITE SPORT	FAVOURITE BOOK
	AGE	YEAR		
FAVOURITE SONG	SELF-PORTRAIT			FAVOURITE PLACE
FAVOURITE SUBJECT	FAVOURITE ANIMAL	FAVOURITE FRUIT	FAVOURITE VEGETABLE	FAVOURITE DISH
	FAVOURITE COLOUR	FAVOURITE DISH	FAVOURITE COLOUR	

#### Make a time capsule!

- Collect things that tell a story about the present-day you.
- Why not keep them safe until year 8 and then open it again?
- You can also write a letter to your future self.

#### Find friends online!

- Are you ready for new adventures in English? Talk to your teacher and join a network of schools in different countries.
- Think about introducing yourself, your class and your school. Good luck!

  - 7 What's your favourite sport?
  - 8 Where do you want to travel?
  - 9 Which city would you like to live in?
  - 10 Which street do you live in?

b) Read the poster again. Circle all the capital letters. Why are they there?

**Pencil, paper, go!**

**Capitalisation**

- 2 pets: Hermes, Bella
- 3 villages and towns: York, London

Remember to use a capital letter for the personal pronoun I:  
My sister and I love travelling.

**STOP AND THINK!**  
What are the differences in capitalisation between the English and Croatian language?

**This is me!**

My name is George Walker. I'm from England. I live in a town called York. It's in the north of England. It's an old and beautiful city.

**This is my town.**

I like playing football. It's my favourite sport. My favourite days are Monday, Wednesday and Saturday. I have football practice then. I'm tall and slim. And I'm fast!

I live with my parents and my sister. We've got two cats, Hermes and Bella. My parents are nice and fair. My sister, Julia, draws all the time. I'm curious and funny.

**This is my cat, Hermes.**

I want to travel the world. I want to visit Asia and North America. I hope to live in New York one day.

**This is my biggest wish.**

**George Walker**

**2** Work in pairs. Say why we use capital letters in the names below.

Example **London!**  
*It's a city.*

World map

"Hello, World!" is the title of your book. You will learn a lot of geographic names this year, and they are not always easy to remember. Why not keep a world map in your notebook or on the wall in your room? Add each new name that you learn. It's easier to remember things when you know what and where they are.
