

# Spelling time

# B

- 1) Write the names of your classmates in the blank fields of the circle.
- 2) Choose one prong of the spinner and label it.
- 3) Spin the spinner N° 1.
- 4) When the first spinner stops, spin the second one and while it's spinning, spell the word the first spinner has chosen for you.
- 5) Your friend should do the same.

**Teachers' note**

You need two spinners. You can use one spinner as well but playing with two spinners and using all three prongs of the spinner at the same time is time-saving.

For further spelling practice, your students could spell out the following sentence: *The quick brown fox jumps over a lazy dog*. All the letters of the alphabet are used in it! 😊
