

## Spin and compare!

# B

- 1) Label one prong of the spinner N° 1. Spin it.  
You get one adjective you're going to use in the game.
- 2) Spin the spinner N° 2. You get three kinds of animals.  
Compare the animals using the adjective.

(Example: small / foxes – turtles – mice  
*Mice are smaller than foxes. Mice are smaller than turtles. Mice are the smallest.*)
