THE HISTORY TEST WAS HARD

It **was** cold and rainy,
I **was** late for school,
The history test **was** hard,
The day **wasn't** cool.

Elliot **was** strange,
Cindy **wasn't** there,
We **were** all a little down,
We **weren't** in the mood.

My parents **were** busy,
They **were** not at home,
I **wasn't** very happy,
I **was** all alone.

It **was** warm and sunny,
It **wasn't** bad at school,
The science test **was** easy,
The day **was** really cool.

Elliot **was** just as always,
Cindy **wasn't** there,
We **were** all together,
And the mood **was** good.

My parents **weren't** busy,
They **were** home with me,
I **was** very happy,
Happy as can be.
